Where does one begin? Let's start with the most iconic of all of JMC's compounds...Belle Harbor, an extraordinary 6.5 acre property set amidst the Intracoastal Waterways, yet mere steps to the sugar sands of the #1 ranked beach within the continental United States, and literally yards to the Renaissance district of fine island shops and gastropubs that further define this magnificent stretch of beach and bay. Next the floor plan, this very engaging Edgewater offers 3 full bedrooms, 3 full baths, and well, not a square inch of superfluous living space. Now for the view, what can one say? Imagine all consummate views of The Gulf of Mexico, St. Joseph's Sound, Mandalay Channel, and the vast panorama of cascading lights from Island Estates to the Dunedin Causeway, and well beyond...Shall we touch upon the timeless interiors, or will you come and see this masterpiece for yourself?
